*Don't Forget the Kids!*

KiddieCorp is pleased to provide child care and youth programs for children ages 6 months to 12 years during Neuroscience 2018, the Society for Neuroscience's 48<sup>th</sup> Annual Meeting. KiddieCorp is in its thirty-second year of providing high quality child care and youth programs to conventions, trade shows and special events. Our goal is to provide your children with a program they want to attend, while providing you with that critical "peace of mind" so you can attend sessions. We take caring for your children very seriously. KiddieCorp has enjoyed a long-time partnership with the American Academy of Pediatrics, which has helped to establish KiddieCorp as a premier provider of event children's program services.

## ACTIVITIES

KiddieCorp programs provide activities appropriate for each age group, using safe, sturdy equipment with which you can feel comfortable. Routines like washing hands, sitting together for snacks and visiting the restroom are staff-initiated and supervised.

At KiddieCorp, children always have the freedom to select the activities in which they take part. They can choose to be active or opt for quieter play - either way, our team members follow their lead. Activities include exciting themes, new arts & crafts projects each day, group games, music & movement, board games, story time, dramatic play, etc.

## COMMITMENT

Our goal is to provide your children with a comfortable, safe and happy experience. Our staff to child ratios are high to ensure that every child feels special (1:2 for children ages 6 months through 11 months old; 1:3 for children ages 1 through 2 years old; 1:5 for children ages 3 through 5 years old; 1:7 for children for ages 6 through 12 years old). KiddieCorp team members are selected according to their integrity, experience, education and enthusiasm. They must be wonderful with kids! In addition to our selective and competitive hiring process, KiddieCorp remains at the top of the industry by carrying ample liability insurance.

## WHERE, WHEN, FOR WHOM

The program is for children ages 6 months through 12 years old. The dates for the program are Saturday, November 3 through Wednesday, November 7, 2018 and will be conveniently located at the San Diego Convention Center (where all the scientific sessions will be held) in San Diego, California. Snacks and beverages will be provided and meals will need to be supplied by parents when checking in your child each day.

## REGISTRATION

See the attached registration and consent form for event information. **The advance registration deadline is October 3, 2018.** Register early as availability is limited and handled on a first-come, first-served basis. KiddieCorp must receive both the registration/consent form and payment in full to hold reservations. Although every effort will be made to accommodate on-site registrations, there is no guarantee and it is not recommended.
